

RT-FLWD Flat drill bits

Flat drill bits with a reinforced shank for a fast drilling of holes, high in diameter, in wood and wood-based materials

Certificate

Product information

Features and benefits

- Centering point enables you to start drilling without the drill bit slipping
- Geometry of the drill bit, along with rounded cutting surfaces, allow you to drill very fast
- Made of high-quality hardened alloy steel, which ensure high durability
- Reinforced shank of the drill bit ensures high torsional strength
- 1/4" (6.35mm) grip allows use with most impact drivers available on the market

Applications

- For drilling large diameter holes in wood and wood-based materials

Base materials

- Wood
- Chipboard
- Oriented Strand Board
- Timber
